2024 Budget: The budget was reviewed line by line. The only question at hand was a request for clarification on the 46% increase in the general government category. This category is found on the disbursement side of the budget. This increase was caused by the additional assessor services the Town will need next year to have the Township reassessed. Total cash and revenues for 2024 are estimated to be \$759,990.43. There were no other questions from the public.

Public input: There was none.

Adjourn: O'Donnell made a motion to adjourn the meeting at 6:06p.m. and Schmidt seconded. All were in favor and the motion carried.

Respectfully submitted,
Michelle Sorenson, Clerk
